An overview on hydro-biology and management of Kaptai Lake Fisheries, Bangladesh

Published On: October 26, 2023 | Pages: 029 - 039

Author(s): Rabina Akther Lima*, Azhar Ali, Md Khaled Rahman, Md Shoebul Islam, Md Moniruzzaman and Tamina Akhtar Tamanna
Kaptai Lake is the largest artificial Lake in Bangladesh. This Lake provides most of the fish stock for the people of the Hill tract. Over the years, due to various anthropogenic and environmental reasons population of Indian Major Carp (IMCs) has declined, and some native species are on the way to extinction in this Lake. Considerable research has been conducted on d ...
